This information is provided as a public service and constitutes no endorsement by the United States Department of Agriculture, the Natural Resources Conservation Service or the Freeborn Soil & Water Conservation District of any service, supply, or equipment listed. While an effort has been made to provide a complete and accurate listing of services, supplies and equipment, omissions or other errors may occur and therefore, other available sources of information should be consulted. It is the producer's responsibility to select specific products or a business regardless of whether it is listed. Producers are never limited in their choice to those vendors or products shown on these lists. It should also be noted that if cost-share assistance is involved, any products(s) selected, and services provided must be approved by NRCS as meeting standards and specifications prior to payment. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, and marital or family status.
